

## Morning Mass - 9/18/20 Update

Weekday Masses continue at Manresa with the 22-maximum capacity and COVID-19 precautions still in place; however, the restriction based on the first letter of last names has been lifted so anyone, regardless of last name, may attend the 8:00 AM Mass any day, Monday through Friday. [See the required protocol below.](#)

### **Please note the following protocol for attendance:**

- A volunteer will be at the base of the front walkway starting at 7:30 AM and will issue a laminated ticket to each person. After 22 tickets are issued, admittance for that Mass will be closed.
- Participants will proceed to the chapel side entrance door and give the ticket to the volunteer there. Upon entry, they may sit in any of the marked available chairs.
- To receive Communion, participants will form a single line in the center aisle, leave mask in place, receive the host in hand and step away before placing in mouth.
- Departure from the chapel will begin with back rows first and proceed through the side door.
- Hand sanitizing is strongly encouraged, and social distancing and proper wearing of masks at all times is required.
- The bathrooms in rooms 139 and 141 will be accessible, but the rest of the house remains closed to visitors.
- The Tuesday meditation session will continue to meet after Mass.

We appreciate the patience and understanding of participants as we seek to restore a beloved Manresa tradition.
