

Relax, Reflect, Refresh

Al-Anon Women's Retreat Weekend

Friday evening, January 29 to Sunday Noon, January 31, 2021

Led by Sr. Karen Jackson, CSC

Manresa Jesuit Retreat House invites you to a conference retreat weekend to experience the spiritual serenity surrounding the 39 acres of wooded grounds, gardens, meditation areas, a stretch of the Rouge River and the welcome, simple comfort of this 1930's architectural gem.

At this retreat you will join other women to hear the words of Sr. Karen Jackson for reflection and prayer to better face the challenges of daily life. This retreat will give you the opportunity to rest and refresh with other women in circumstances similar to your own.

Besides the conferences, you may walk the grounds, attend Mass, a healing service and reconciliation, and join in other prayerful activities.

A \$50 non-returnable, non-transferable deposit is required to register.
